

News & Views

PUBLISHED BY THE BAIE D'URFE CITIZENS' ASSOCIATION

AUGUST 1953

SEVENTH YEAR
NUMBER 71

THIS YEAR AGAIN YOUR CITIZENS' ASSOCIATION is happy to present a directory listing as fully as possible all the households in Baie D'Urfe, both alphabetically and by geographic location.

It is designed, in part, to supplement the telephone directory, which is incomplete because telephone service is not available in some areas. It is also intended to help citizens to know their neighbors better, by showing who lives where. We hope you find it useful.

Your attention is called, particularly, to the listing of postal addresses. This directory is used for mailings of News & Views, special announcements of the Citizens' Association, announcements of other groups such as the Horticultural Society, and circulars sent out by some merchants. Mail addressed to the wrong post office may take three or four days extra to reach you (mail from Baie D'Urfe to Ste. Annes goes via the Railway Post Office and may travel to Brockville or Montreal or elsewhere en route) and, of course, causes needless work for the postmaster who must refer it on. So, please advise either the editor or circulation manager (phones 2024 or 2611) if there is an error in your listing.

In addition to checking your own listing, both alphabetical and by number, you are asked to look up your next door neighbors on both sides, to be sure they are included correctly. If you can see an error in this directory, let us know and we'll correct it. And in future, when newcomers arrive in the community, let us know so we can add them to the list through the columns of News & Views.

Your co-operation in keeping the directory accurate will be appreciated.
