

TOWN OF

BAIE D'URFE

News & Views

PUBLISHED BY THE BAIE D'URFE CITIZENS' ASSOCIATION

AUGUST, 1952

SIXTH YEAR
Number 58

HERE IS YOUR COPY OF SOMETHING we hope will become an annual feature of News & Views — a directory of town residents that may help you know your neighbors better.

We hope it will be useful to a good many people, but especially the newer residents. It is designed as a companion and supplement to your telephone directory. The most recent edition of that useful volume now is nine months out of date, and in a rapidly growing community such as ours it becomes obsolete in a much shorter period than that.

A good deal of time and effort have gone into the preparation of the following pages but we have no doubt, nevertheless, that it is shot full of errors and omissions -- some by lack of reliable information. We plan to publish corrections and list new residents, as rapidly as we hear about them, in subsequent issues of News & Views, thus up-dating the directory on a monthly basis.

We ask all residents: please look up your own listing — both alphabetical and by number -- to see if it is complete, correct, and exactly the way you want it, now and for use in future directories. Then, look up your next door neighbors, on both sides to make sure they are listed.

If you see the need for a change please phone the correction to the editor at 2024.
